MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENT

The year witnessed a highly dynamic situation of our country; India must be consistent in regaining its position as a leading emerging market investment destination. This can only be possible if consistency and clarity is in our policies. In anticipation of the election results the equity markets have created an all time high and currency markets are buoyant but investors (private and foreign) are waiting for stability of governance.

The past year has been a challenging year for our Industry with lots of ups and downs. In spite of the above, the industry has been able to maintain its steady performance during the year under review. Our Company is primarily engaged in the business of manufacturing, producing, procuring, buying, selling, converting and in any other way dealing in iron and steel also dealing in carbon(diamond), non ferrous material (gold) & scraps i.e mild steel product, carbon steel, stainless etc. The Industry continues to hold a dominant position in country's economic structure because of its huge contribution towards employment generation.

OPPORTUNITIES

The sector uses the loans for various business activities ranging from the business of hire Purchase Company and to acquire, to provide on all type hire purchase basis of industrial and official plant, equipment machinery, vehicles, Agriculture, Handicrafts, Trading, Services, Shops, Livestock, and Production to others. As banks are unable to appraise the credit requirements of the micro and small businesses they are unable to extend credit facilities with collateral security. The banking system will not be able to meet this demand and a wide gap exists giving the Company an opportunity to grow in its financing of Small Business/ Industrial Loans.

There is confidence of a revival in global the economic outlook in the coming years though this view is not presently supported by economic fundamentals driven by higher economic growth in the advance economies and constrained by moderate growth in emerging markets.

THREATS

Major threat faced by Adishakti Loha and Ispat Limited would be circumstances of not being able to raise funds for its future business operations.

SEGMENT-WISE PERFORMANCE

The substantial part of the revenue of the Company is from involved in dealing in carbon(diamond), non ferrous material (gold) & scraps i.e mild steel product, carbon steel, stainless etc.. Details of performance have been provided in the Directors' Report.

To
The members of

(Formerly known as "Aawas Infratech Private Limited)

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **ADISHAKTI LOHA ISPAT LIMITED**(Formerly known as "Aawas Infratech Private Limited) ("the Company"), which comprise the balance sheet as at 31st March 2022, the statement of profit and loss and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2022, **netloss** and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules there under, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and the auditor's report thereon.

Our opinion on the financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

ADISHAKTI LOHA AND ISPAT LIMITED

ANNUAL REPORT FINANCIAL YEAR 2021-22

(Page No. 50)

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the applicable accounting standards and the other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that are operating effectively for insuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain a reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise due to fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- (ii) Obtain an understanding of the internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

ADISHAKTI LOHA AND ISPAT LIMITED

ANNUAL REPORT FINANCIAL YEAR 2021-22

(Page No. 51)

- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (v) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, relevant safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

In our opinion, the Company has, in all material aspects, an adequate internal financial controls system over financial statements and such internal financial controls over financial statements were operating effectively as at 31st March 2022, based on “the internal financial controls over financial statements criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”.

Management’s Responsibility for the Internal Financial Controls Over Financial Statements

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial statements based on our audit. risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial statements.

Meaning of Internal Financial Controls over Financial statements

A Company's internal financial control over financial statements is a process designed to provide reasonable assurance regarding the reliability of financial statements and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial statements includes those policies and procedures that: -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial statements

Because of the inherent limitations of internal financial controls over financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control over financial statements to future periods are subject to the risk that the internal financial controls over financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.
